CIASP1

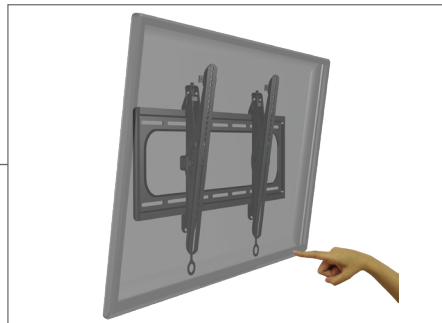

CILT1 – LARGE TILTING MOUNT

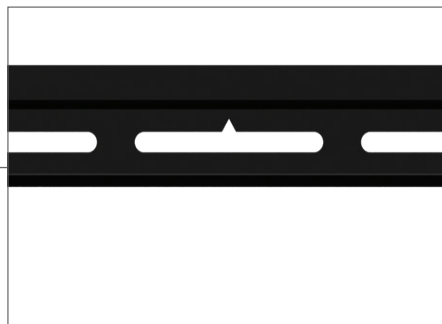

New ProSet Plus™ post install height and level adjustments allow for up to one full inch of height and level adjustment.

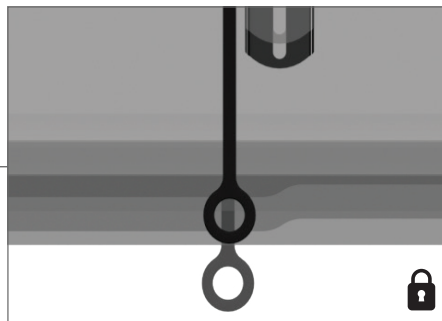

Open wall plate design allows mounting directly over most wall boxes and electrical outlets.

Virtual Axis™ Fingertip tilt allows for easy TV adjustments and quick access to cables.

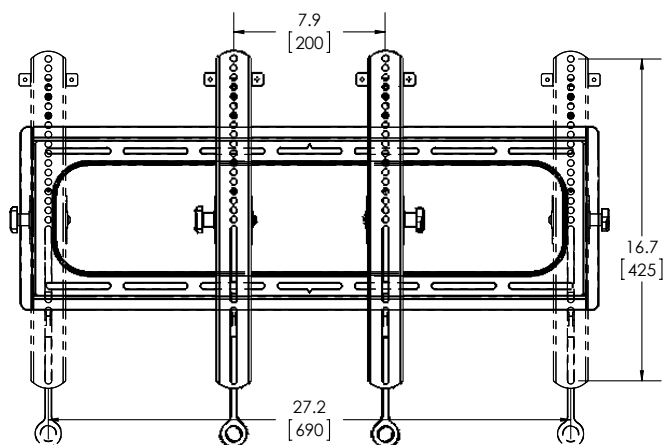

Save time by using the leveling notch to hang the wall plate on a temporary nail while leveling the wall plate and marking holes to drill.

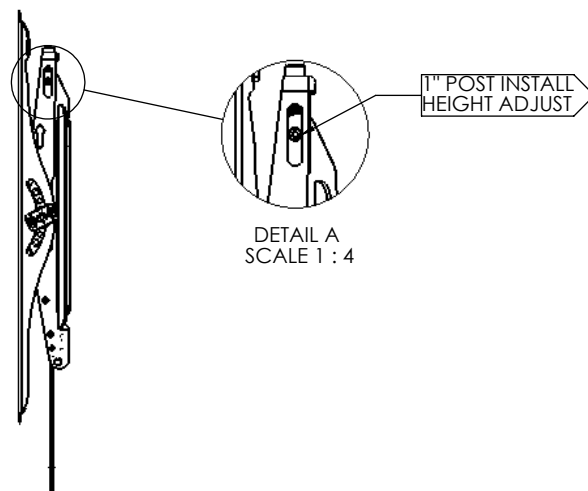

High quality Quick-Release tabs instantly unlock the TV from the wall plate and adjust to line up with the bottom of the TV. Optional padlock adds security.
