Mullion Mount Kit for SIW & SSW Series

This mounting accessory allows an **SIW-100** Room Availability Status Indicator or **SSW Series** Room Availability Hallway Sign to be attached to the mullion of an interior glass wall, window, or partition. It attaches to the left or right inside surface of a typical vertical, hollow metallic mullion. Alternately, it may be adhered directly to the glass or another flat surface (granite, marble, plaster, smooth stone or masonry, etc.) using the included two-sided adhesive pad.
