## SMALL DEVICE MOUNTING & CABLE MANAGEMENT

Pop and twist to install your cable management accessories and small device mounting clamps into anywhere the patented universal hole pattern is located without any hardware

### FEATURES

- Pop, twist, push, done. Secure your small, non-rackmount devices to any place the patented universal hole pattern is found. Simply pop the clamp into slot, twist to lock it in place and push the clamp down.
- Limitless cable routing. The new Forward cable management products give you the flexibility you need to get your cables from Point A to Point B with C Rings, D Rings and Tie saddles.
- The bold blue finish not only looks cool, but it also helps you identify where your cable management accessories and small device mounting clamps are located in a fully loaded enclosure for any future adds, moves or changes
- Made from durable nylon, these products will hold up to your cable intensive systems and small device mounting needs.

### SPECIFICATIONS

Forward Family small device mounting clamps shall be Middle Atlantic Products model # FWD-SIDECLMP-X and include X pieces (X = 4, 24 or 60). Forward Family small device mounting shall be made from blue nylon, mount to .22"x.48" obrounds, mount in a tool-free manner, and have a clamping range of .5" to 2.05".
