# SMARTMOUNT®

Flat Panel Video Conferencing Cart

FOR 32" TO 75" DISPLAY

The SR575E SmartMount® Video Conferencing Cart offers an array of features perfect for any setting where telecommunication is required. The mobility of the cart eliminates the need for multiple video conference systems, lowering your overall system cost. The structure is optimized to hold one 32"-75" display, providing clear visibility for all participants. The camera can be located directly above the display, for near perfect eye contact during your meetings. A lockable storage area houses all components inside the enclosure and the upper door doubles as a laptop with a display sized workstation when needed.

Mounting Pattern
200 x 200 up to
600 x 400mm

Max Load
150lb (68.2kg)
display

- Integrated cable management protects, contains and conceals cables for a clean, professional installation

- Textured black powder coat finish helps to hide finger prints and dust while stainless steel accents provide an attractive appearance

- Upright structure houses components in either 2RU 19" rack mount configuration or a shelf inside the lockable compartment

- 6 Outlet surge protector with 15ft cord housed inside the enclosure

- Upper compartment doubles as a work surface for laptops or keyboard/mouse and test monitor

- Universal display adaptor fits mounting patterns from 200 x 200mm to 600 x 400mm and allows mounting in landscape or portrait orientation

CAMERA MOUNT
Fits above displays up to 75"

LOCKABLE STORAGE
Components are kept safe and secure

UL/CUL CERTIFIED
Provides a trusted level of safety

OPEN FRAME ADAPTOR
Helps prevent display input interference

VERTICAL ADJUSTMENT
Displays and camera shelf can be located anywhere along the column (up to 60" at center)

WELDED BASE
Provides rigidity, stability and quick assembly

SAFE AND EASY MANEUVERABILITY
4" (102mm) swivel casters meet UL/CUL requirements

(2) 2RU rack mount locations provide ample space for rack mountable componets

Locking upper door provides ideal work surface when open and secured storage when closed

Corner bumpers protect walls and doorways from damage

RoHS
