

# Lenovo and Logitech power your dynamic and scalable high-impact spaces.

Improve employee engagement with technology that seamlessly integrates with collaboration platforms, dynamic audio components, and excellent video. Lenovo ThinkSmart Core for Logitech, powered by the Intel vPro® platform with Intel® Core™ i5 processor and running on Windows 11, outperforms basic technologies wherever collaboration happens. Say goodbye to frustrating meeting spaces and welcome professional-grade AV experiences accessible to everyone.

## FLEXIBLE

With the Lenovo ThinkSmart Core for Logitech as the foundation of your high-impact spaces, technology makes digital meetings feel like face-to-face experiences. Preloaded for Logitech, certified for Microsoft Teams Rooms, and compatible with Zoom Rooms, this scalable solution works with other certified devices to amplify your technology investments. Its multiple device ports and a top-of-the-line processor enable you to design each space according to its purpose for maximum functionality and efficiency.

## PURPOSE-BUILT

Every detail of the Lenovo ThinkSmart Core for Logitech is engineered with intention to help eliminate disruptions and technology failures. Thoughtful features include a hinged backdoor that locks down wires and a minimized external reset button—both designed to prevent users from accidentally disconnecting during meetings. Even setup and installation are easy with a built-in VESA mount and Wi-Fi antenna. And with a quiet fanless enclosure and wider operational temperatures, you can choose between housing the ThinkSmart Core in the meeting space or hidden in a server room or closet.

## POWERFUL

Engineered for maximum reliability and 24/7/365 operation, this powerhouse delivers the high performance you need for consistent collaboration and easy management. The Intel vPro® platform with Intel® Core™ i5 processor delivers responsive performance, reliable connectivity, and comprehensive hardware-based security, all while maintaining energy efficiency.

# Lenovo ThinkSmart Core Key Specs

## performance

### PROCESSOR

Intel® 11<sup>th</sup> Gen Core™ i5 processor on Intel vPro® platform

### OPERATING SYSTEM

Windows 11 IoT SAC with Teams Rooms or Zoom Rooms  
Preload for Logitech
