100" U76N

U76N Series Quantum Dot Google TV
Model-100U76N

The U76N Quantum Dot LED Series is designed with an array of features to provide an unparalleled entertainment experience on a majestic 100-inch television. Incorporating advanced Quantum Dot and HDR technologies alongside robust 2.1 speakers (with subwoofer), it not only produces vibrant, true-to-life visuals but also delivers powerful and high-quality sound. With a native 144Hz refresh rate and improved on-screen response time, it proves to be an optimal choice for both gaming enthusiasts and sports aficionados. Treat yourself to a thrilling viewing and gaming encounter.

QLED

Quantum Dot Wide Colour Gamut technology reproduces over a billion colour combinations for a wider spectrum of colours for true to life images.

Full Array Local Dimming

With state-of-the-art of 256 dimming zones combined, the results are intense black levels with vibrant colour reproduction.

144Hz Refresh Rate

Whether it's sports, action movies or pure gaming, this high frame rate greatly reduces motion blur to reproduce a clearer picture.

Game Mode Pro

Serious gamers wanted! With a winning combination of technology, 144Hz Game Mode Pro is the one to beat. A variable refresh rate from 48Hz to 144Hz ensures that your console and PC gaming will meet any opponent head on. AMD FreeSync™ Premium Pro and Auto Low Latency Mode virtually eliminate screen tearing and controller input lag. Dominate the game – it's time to level up!

High Brightness Level

With a brightness level of 800 nits in Hisense TVs, you can enjoy an optimal viewing experience even in well-lit rooms with abundant lighting.

Dolby Atmos Sound (2.1 Channel with Subwoofer)

Dolby Atmos: Elevate your auditory experience with award-winning audio enhancement that unveils what you've been missing. Take your movie and gaming escapades to new heights with a 2.1 audio channel featuring a subwoofer, enhanced by Dolby Atmos for precise three-dimensional audio placement that breaks free from conventional channels.

Google TV

No more jumping from app to app. Google TV bring together movies, shows, and more from all the subscriptions and organizes them just for you. Need inspiration? Get curated recommendations, use Google's powerful search to find shows across 10,000+ apps, or browse hundreds of free channels.

Hands-Free Voice Control

No remote needed—simply converse with your TV! Ask it to play music, catch up on the news, or check the weather. You have the option to control your Hisense Smart TV either using the remote control or without it.

Built-in Bluetooth

Enjoy your content at full volume without disturbing others in the room by wirelessly connecting your headphones to the TV. Moreover, you can wirelessly connect other Bluetooth-enabled devices such as soundbars, speakers, and keyboards.
