

Poly IP Ceiling Microphone Array

Superior audio pickup

Adjustable drop height provides extraordinary voice pickup from anywhere in the room.

Award-winning technology

Makes full use of Poly's digital microphone and Acoustic Fence technology.

Superb room coverage

360-degree coverage from three cardioid elements can handle a room up to 1,200 square feet with three arrays.

Featuring

Capture the speaker

Designed to exclude background noise and capture speech via a directional microphone that focuses on the person speaking.

Neat, easy installation

Complete kit includes everything you need to hide electronics in the ceiling, out of the way of the floor and tabletop.
